Feel free to check out my website at [www.craigzuccherro.com](http://www.craigzuccherro.com) where you can view my reel, pop-up photo gallery, resume, press page, and bio! I'm a very versatile actor from New York, now living in L.A. Since moving here, I have completely rid myself of my New York accent, although can bring it whenever I need to. I have done so much work in New York, and am now ready for the highest level in L.A. I'm very popular on Facebook where I have two fansites! Most importantly I'm a very nice guy, very easy to work with
